

AT ST HELENA'S WE WANT EVERYONE TO FEEL RESPECTED, SAFE, ENGAGED, CARED FOR, HAPPY AND RESILIENT.

In order to feel **respected**, we will treat others how we want to be treated by following Jesus' footsteps.
When someone isn't feeling respected, we will listen and talk to them with kind words and seek help from a trusted adult if needed.

In order to feel **safe**, we will consider the feelings and physical wellbeing of others by following school rules and values.
When someone isn't feeling safe, we will make sure they are okay, help them if required and tell a trusted adult.

In order to feel **engaged**, we will focus on our work, be ready to learn and put in our best effort in all that we do each day.
When someone isn't feeling engaged, we will encourage them and show them how to use their growth mindset.

In order to feel **cared for**, we will include, help and be kind to everyone.
When someone isn't feeling cared for, we will offer time to listen to them and tell them how important they are to our community

In order to feel **happy**, we will share, be friendly and have a positive attitude to do, "Something Beautiful for God".
When someone isn't happy we will reach out and either give them space or offer support.

In order to be **resilient**, we will try hard things, bounce back from mistakes and stand up for others and ourselves.
When someone isn't being resilient, we will remind them of their strengths, and that we are here to help.
